28th September 2020

Dear all

As the seasons change we had a lovely harvest assembly prepared by the Rev Angela Mann on Thursday last week, which all the children watched in class at different times during the day. Mrs Cort had then suggested some harvest activities - learning about the festival and comparing with festivals in other religions around the world - which children also had fun doing.

This was our second "virtual visitor" from outside school last week as Miss White Jones had organised a "wish upon a star" activity courtesy of Waddesdon Manor, which again children learned about in classes.

Parent evenings and reports - there won't be any parent evenings as you would expect. We will be providing you with a very short written report during mid October to let you know how your child is doing in school, with behaviour / settling / attitudes and effort as well as academically. If you want to get in touch with the teacher on the basis of this report, we will be able to offer you a short phone call. However, I would urge you to do so before this rather than to wait if you've anything helpful for us to know about or if you have any questions or concerns.

Have a wonderful week.

Beth

NEWS IN BRIEF

Harvest Festival

We are collecting items until Friday 2nd October to be donated to Aylesbury Vineyard as part of our Harvest Festival. Please send them in with your child and they will be collected from the classroom daily.

From Monday 28th September:

New drop off times: 8.45am - 8.55am

New pick up times: 3.05pm - 3.15pm

Most junior children should now be coming in on their own (KS2) and, where possible, also Year 2 children. Only one parent should be on site per child, and preferably only one per family.

Start/End of Day Procedures

School meals

Today we were able to begin serving hot lunches to years R, 1 and 2. There has been a positive up take of these meals with our new provider AiP.

A reminder to these years please that as per the parentmail last week we would really encourage your child to take a hot meal on Thursday as it is school census day. Some of our funding streams are based on the number of school meals taken that day. A special pirate menu is on offer!

CELEBRATION ASSEMBLY

Congratulations to all the children who received their star in today's assembly.
